

Environmental Policy 93.3FM Radio Five-O-Plus

Our environmental policy reflects our commitment to environmental ability and our precautionary approach. It also demonstrates our awareness that our actions are important for our sponsors, our volunteers, community and the environment.

Environmental Awareness

- a) We at 93.3 FM Radio Five-O-Plus see protecting the environment as part of our core values. In taking measures such as those outlined below, we aim to continue to reduce our environmental footprint. We recognise that our business has a corporate social responsibility to enhance the environment and promote the long term sustainability of the Community Radio industry. We aim to inspire our staff, Volunteers and Sponsors to do the same.

In this policy, 93.3FM Radio Five-O-Plus commits to:

- a) Understanding and managing our environmental risks with the goal of minimising or eliminating those risks.
- b) Ensuring the environment is considered in our investment and corporate strategies procurement and the products and services we offer.
- c) Actively working to minimise pollution, manage waste streams and address relevant biodiversity issues.
- d) Engaging with our sponsors, volunteers and board of directors on environmental issues and transparently reporting on our environmental performance.
- e) Providing all volunteer staff with the training and education necessary to meet our objectives.
- f) Complying with all applicable legal and regulatory requirements.
- g) Regularly review environmental objectives and targets.
- h) Openly communicate our policies and practices to interested and approved parties.

- i) To monitor and record our environmental impacts on a regular basis and compare our performance with set policies, objectives and targets.
